

Name: _____ Date: _____

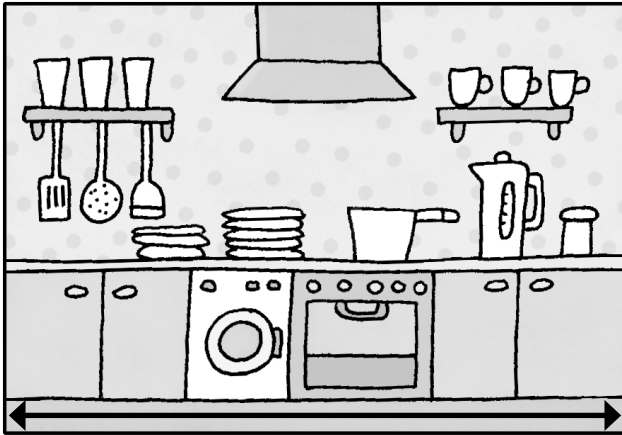

How long is it?

You will need:

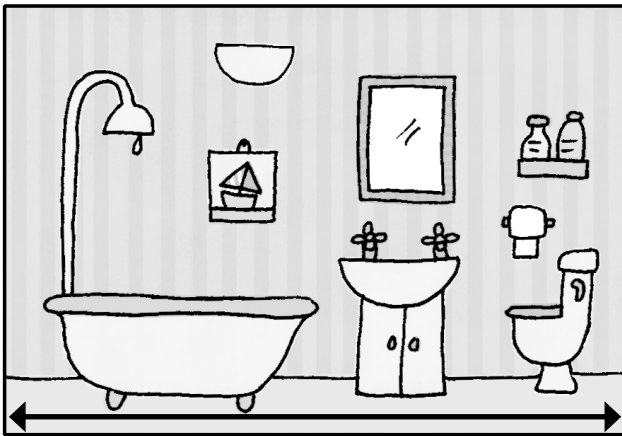

- red and blue coloured pencils/ crayons/felt-tip pens

- I can measure and compare distance using my feet

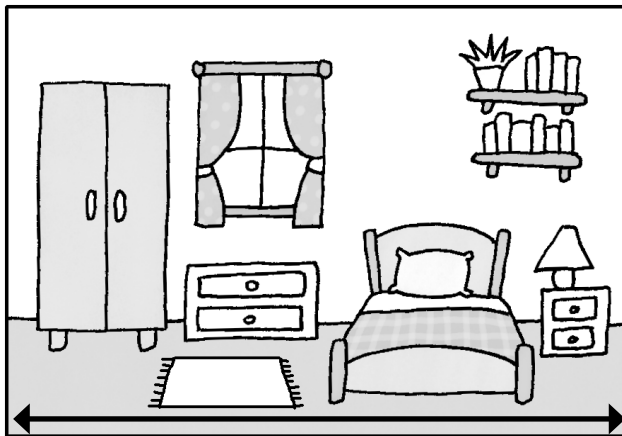

Kitchen

_____ feet

Bathroom

_____ feet

Bedroom

_____ feet

What to do

- Measure the length of three rooms, using your feet. Make sure that you place your feet end-to-end as you measure. Write the number of feet in the box beside each picture. Colour the shortest room blue and the longest room red.
