Name: _____ Date: _____

Can you find it?

- I can find an object if you tell me clues about its position

This is **below** the elephant.

This is **above** the bicycle.

This is **between** the boat and the pencil.

This is **next to** the apple.

This is on the **right** of the dog.

This is on the **left** of the umbrella.
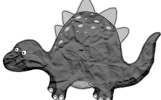

What to do

- Cut out the pictures from the bottom of the sheet and arrange them in a row to one side. Read each of the statements, one at a time. Find the correct picture and glue it into the space next to the statement.
